ISTANBUL
I'M: ART
ENTERTAINMENT

A photograph of the Galata Tower in Istanbul, Turkey, during sunset. The tower is a multi-story stone structure with a conical roof and a golden finial. It is surrounded by a dense crowd of people on its upper levels. The sky is a mix of soft pinks, oranges, and blues, with numerous seagulls in flight, some in sharp focus and others blurred. The foreground shows the rooftops of modern buildings in the city.

*I'm the sound of the waves of Bosphorus
